MENSAGEM DO ADMINISTRADOR

ADMINISTRATOR MESSAGE MESSAGE ADMINISTRATEUR

Inovar, valor, qualidade e sustentabilidade são atributos que ao longo destes anos foram determinantes para a JALT.

Estamos permanentemente a melhorar a nossa organização com intenção de tornar mais simples e direta a nossa relação com os nossos parceiros.

Na JALT o fator humano é a chave para construir o futuro!

Innovation, value, quality and sustainability are attributes that over these years have been determinant for jalt.

We are permanently improving our organization with intent to make our relationship with our partners simpler and more straightforward.

In Jalt the human factor is the key to building the future!

L'innovation, la valeur, la qualité et la durabilité sont des attributs qui, au cours de ces années, ont été déterminants pour le JALT.

Nous améliorons définitivement notre organisation avec l'intention de rendre notre relation avec nos partenaires plus simple et plus simple.

En JALT, le facteur humain est la clé pour bâtir l'avenir.

SOBRE NÓS

ABOUT US

À PROPOS DE NOUS

A JALT é uma empresa familiar que desenvolve a sua atividade desde 1985.

Ao longo destes anos no sector das ferragens temos como principal objetivo a satisfação do cliente, apostando num stock permanente, permitindo uma resposta rápida e eficaz.

Como especialistas em ferragens para mobiliário e construção, dispomos de produtos de qualidade a um preço competitivo. Tendo em conta os mais de 30 anos de atuação no sector, a JALT sabe a importância que o passado representa, porém, contamos também com uma dinâmica de inovação, permitindo o seu crescimento contínuo e sustentável.

Jalt is a family business that develops its activity since 1985.

Throughout these years in the hardware sector we have as main goal the customer satisfaction, betting on a permanent stock, allowing a quick and effective response.

As specialists in furniture and construction fittings, we have quality products at a competitive price. Taking into account the more than 30 years of experience in the sector, JALT knows the importance that the past represents, however, we also have a dynamic of innovation, allowing its continuous and sustainable growth.

JALT est une entreprise familiale qui développe son activité depuis 1985.

Tout au long de ces années dans le secteur du matériel, nous avons comme objectif principal la satisfaction du client, parier sur un stock permanent, permettant une réponse rapide et efficace.

En tant que spécialistes des meubles et des raccords de construction, nous avons des produits de qualité à un prix compétitif. Compte tenu de plus de 30 ans d'expérience dans le secteur, JALT sait l'importance que le passé représente, cependant, nous avons aussi une dynamique d'innovation, permettant sa croissance continue et durable.

REF MS INSTANT

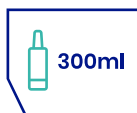

APLICAÇÕES

- Para agarre imediato em aplicações onde se necessite uma colagem final resistente e flexível;
- Peças metálicas e plásticas, painéis, chapas, espelhos, placas de isolamento, elementos pré-fabricados, painéis de aglomerados e carroçaria industrial.

REF MS-35

APLICAÇÕES

- Colagem e vedação elástica de elementos de construção;
- Vedação de caixilharia-obra e coberturas metálicas;
- Juntas de pavimento transitáveis;
- Vedação e colagem não estruturais em caravanas, carroçarias, contentores e indústria em geral.

REF ESPUMA MULTIUSOS

APLICAÇÕES

- Excelentes propriedades de vedação, preenchimento e adesão;
- Elevada adesão à maioria dos materiais de construção;
- Isolamento térmico e acústico.

REF **FIX EXPRESS**

375ml

X12

APLICAÇÕES

- Colagem de elementos decorativos e de construção;
- Fixação de molduras, rodapés, painéis, azulejos, landrilhos e gesso;
- Apta para colar poliestireno expandido, isolamentos térmicos, madeira, DM, gesso, tijolo, etc;
- Pelo menos um dos materiais a colar deve ser poroso.

Branco
White
Blanc

REF **FIX FORTE**

350ml

X12

APLICAÇÕES

- Colagem de materiais de construção;
- Fixação de calhas para cabos, molduras, aduelas, rodapés, isolamentos, sinalética, cartazes, acessórios de banho e cozinha, pontos de luz, alarmes;
- Apto para colar plástico, madeira, cerâmica, gesso ou metal sobre cimento, betão, argamassa ou gesso.
